One would think that Black Lives Matter would already have been duly briefed concerning the sordid history of the Slave Auctions and the MANDATORY MASKING OF THE MERCHANDISE bound with chains. One would think that BLM would be screaming about MASK MANDATES as a vestige of slavery much more onerous than old Civil War monuments - but no - they are not. Is it because they are just ignorant of the history, or are they merely pawns in the communist takeover???

Remember Fauci et al early on declaring that masks are indeed TOTALLY ineffective against viruses? Why the abrupt change in the "science" of "curve flattening"? Was there any time to conduct new studies? Nope. When the new FUHRER Klaus Schwab gives orders, he expects his minions to obey without questioning. HEIL SCHWAB!!! And make no mistake Schwab's AI super-computers have made it abundantly clear that mask mandates are a necessary first step in brainwashing the masses into accepting a mRNA vaccine loaded with nano-bots.

Heaven help us! Is there any intelligent life left on earth??

They know corona is a hoax. There is reason to believe they may only want compliance.

They know the masks we are now forced to wear do not work. So the question then is, WHY are they mandating this???

Let's take a look at history.

Punishment masks:

Slave masks

For the communists, compliance is EVERYTHING. We are obviously being trained.
