

**Subject: Federal Judge Tells Supreme Court: "Nothing in the Constitution Establishes a Right to Abortion"**

**Date:** May 18, 2021 at 8:17:23 PM EDT

3,300 babies ere murdered every day during an abortion. Their beating heart which can be heard as early as 12-18 days, stops. Nearly 65 MILLION babies murdered since 9 men on the Supreme Court ruled Roe v Wade.

10 states now allow murdering a baby right up to the time of birth.

This case won't be heard until October. I have little hope. So-called conservatives on the Supreme Court turned chicken and allowed the election fraud to stand, out of either fear for themselves or fear of mass violence. Either way, they're cowards.

Throw the pro-life crowd a bone by taking the case. But, perhaps there will be a miracle.

In that article it talks about partial-birth abortion. Michelle Obama wrote a letter to donors supporting such barbarism. This is what happens:

<https://newswithviews.com/Devvy/kidd386.htm>

"After dilating the cervix, the physician will grab the fetus by its feet and pull the fetal body out of the uterus into the vaginal cavity. At this stage of development, the head is the largest part of the body. . . . the head will be held inside the uterus by the woman's cervix. While the fetus is stuck in this position, dangling partly out of the woman's body, and just a few inches from a completed birth, the physician uses an instrument such as a pair of scissors to tear or perforate the skull. The physician will then either crush the skull or will use a vacuum to remove the brain and other intracranial contents from the fetal skull, collapse the fetus' head, and pull the fetus from the uterus."

A doctor takes an oath to do no harm. Not here in America. They get rich from killing a precious baby.

From a column I wrote in 2012:

<https://newswithviews.com/Devvy/kidd535.htm>

Obama/Soetoro/Dunham is a champion of infanticide - the killing of infants. While serving in the Illinois State Senate, Barry Soetoro aka Barack Obama, voted three

times to allow infants who survive abortion must be left to lay there and die.

Yes, he did vote against the Illinois Born Alive Infant Protection Act. [Click here to see the bills and his comments supporting murder.](#)

Would you stand there and allow a living, breathing infant to die if you were a doctor or nurse? How could anyone, doctor, nurse or just plain human stand by and allow an infant who has survived the horror of abortion - just let them die without trying to save that precious life? Soetoro did because his soul died a long time ago. And, how did Barry justify it?

"[Listen to audio](#) from Obama's 2002 IL Senate floor debate wherein he argued that while babies might be aborted alive, it would be a "burden" to a mother's "original decision" to assess and treat them." In other words, the mother wished to kill the infant, so be it.

54% of "Catholics" voted for Soetoro in 2008. They voted to elect an individual who denied three times the right of a living, breathing infant born the right to live.

Say, I wonder if those "Catholics" got the hope and change they voted into office even though they had no right to vote for an ineligible candidate? God will ask them someday.

[Watch this video \(less than 10 minutes\).](#) You will see through modern technology an unborn baby developing a heart at 25 days. At 32 days, that living, breathing baby is developing arms and legs. **LOOK and see the truth.** From conception to birth. Abortion IS murder. <https://www.youtube.com/embed/fKyljukBE70>
